

8/6/20

Dear All

Here we are, nearly 3 months in to Covid19 Lockdown. I think it goes without saying, that we have all been affected by this experience and our lives have been changed in so many ways;

- Sickness.
- Loss of loved ones.
- Change in living and employment circumstances.
- Restrictions on how we carry our daily lives
- Cessation of how we gather, how we worship and how we celebrate the key landmarks in our lives.

This is a list that goes on and on, but we also wanted an opportunity to share some of the things that are being achieved at this time.

The Families HQ Team have been working hard on securing funding, establishing improved distribution of their delivery and creating outreach on their food ministry.

Jo, Gary and Gail worked hard on funding applications to expand this ministry and secured over £1000 so far to spend on on food supplies.

Gary has also worked with us to secure grants toward supporting our salary commitments for our lovely Centre Team, who continue to monitor the security of the Centre during this period.

We have also been BLESSED by the many on-line opportunities that are being led by members of our church, offering opportunities for, worship for fellowship and for community.

We want to say a big Thank You for all your contributions and to assure you that we continue to meet as Trustees to keep up to date with our stewardship of BCLC, and planning for our future as a Church and Charity.

As restrictions relax, we know that our 'new normal' will require thought and patience, but we will keep you up to date on our ability to open our doors again and are excited about the new relationships, opportunities and doors that have been open for us as a community.

Continue to take the very best care.

Your BCLC Trustees.
