Dear All

We are in the midst of another historical week, and we are writing to keep you updated on matters to do with the centre and our staff.

During the early part of the crisis our dedicated Centre Team continued to ;

- Work on our maintenance schedule
- Update elements of our paintwork and decoration
- Host other tradesmen whilst they undertook work and generally began a much needed

Spring clean of the Centre

-They will also continue to monitor the security of the Centre during this prolonged closure period.

The Trustees took the decision in line with a Government advice, to close the Centre this week and our staff are now on furlough, until such time that we are in the position to re-open.

We want to take this opportunity to say a huge Thank You to the team and to all of you who continue to serve , to give, to encourage and model Love for one another and our world. This is a challenging but great time to be 'Salt and Light'.

We know that you are all looking out for one another and the families and communities to which you belong.

Please continue to encourage one another. We look forward to seeing you all in the not too distant future.

Please continue to pray for one another and our nation at this time.

Blessings and Love.

BCLC Trustees.
